Indian Angel Network 40

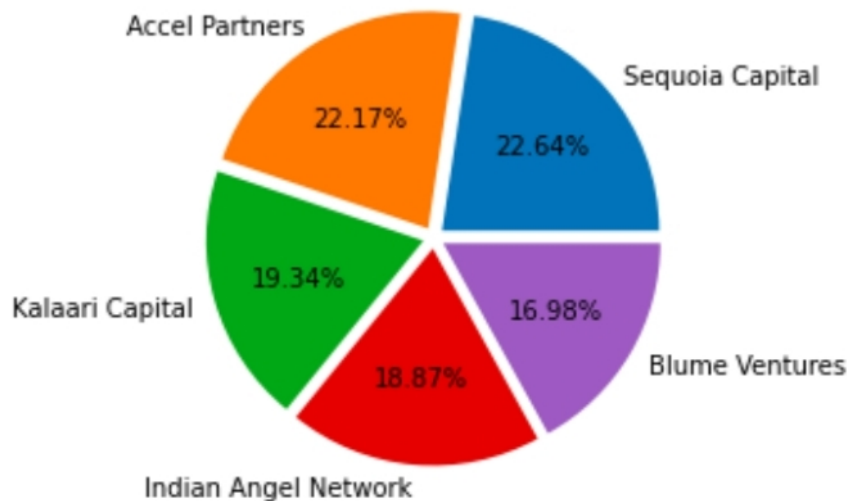

JUSTIFICATION AND INFERENCE:- From above data it can be concluded that **Sequoia Capital** had provided maximum number of times that is 64 into various start-up. And they are most favourable investors to contact for investment in any start-up. Other top 4 investors are also described in the pie graph after Sequoia Capital to contact and invest for.

QUESTION-3

OUTPUT:-

Sequoia Capital 48
Accel Partners 47
Kalaari Capital 41
Indian Angel Network 40
Blume Ventures 36

Top Five investors having different startups

JUSTIFICATION AND INFERENCE:-

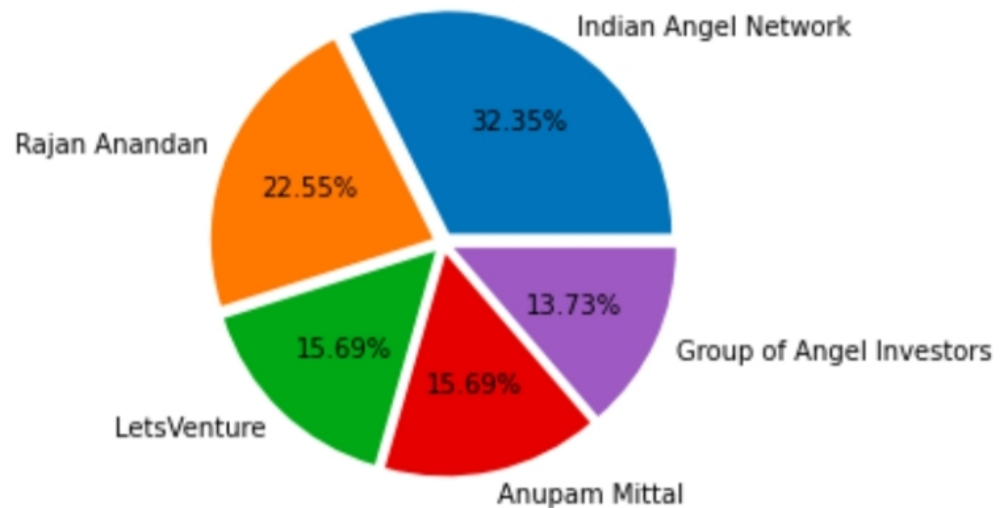

The top 5 investors who have invested in different start-ups are mentioned above. This gives a more clear picture than the previous one as it holds only different start-ups. Thus to get more funding, the friend should contact these 5 investors only as they have invested in maximum number of different start-ups. Among all these 5, **Sequoia Capital** is the most favourable choice to contact for as they have invested maximum number of times in different start-ups.

QUESTION-4

OUTPUT:-

Indian Angel Network 33
Rajan Anandan 23
LetsVenture 16
Anupam Mittal 16
Group of Angel Investors 14

Top investors in different startups with crowd funding and seed funding investment

JUSTIFICATION AND INFERENCE:-

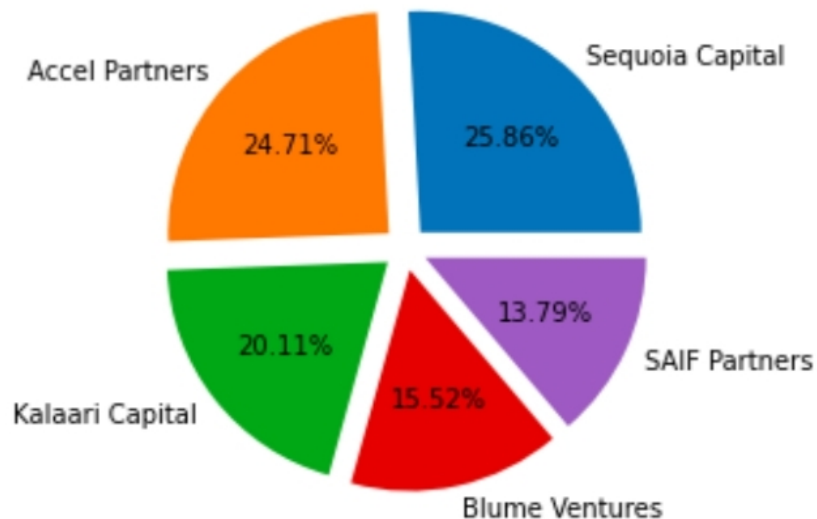

This list is a step further ahead than the previous list as we know that stage of start-ups is a very important criteria to consider in order to get funding. This list considers investors which have invested through either Crowd Funding or Seed Funding investment types. **Indian Angel Network** comes out to be most favourable choice as they have invested in 33 different start-ups through either Crowd Finding or Seed Funding investment types.

QUESTION-5

OUTPUT:-

Sequoia Capital 45
Accel Partners 43
Kalaari Capital 35
Blume Ventures 27
SAIF Partners 24

Top 5 investors with different startups and investment type as private equity

JUSTIFICATION AND INFERENCE:-

The above data represents top 5 investors who have invested in different start-ups with investment type as "Private Equity". **Sequoia Capital** comes out to be the most favourable investor for the friend's start-up as they have invested in the greatest number of start-ups through Private Equity investment type and thus chances of getting investment from them will be high.
